Hendricks Commercial Properties Presents Rock County Cancer Coalition with \$116K to Support Community Members Battling Cancer

BELOIT, Wis. (October 14, 2021) – [Hendricks Commercial Properties \(HCP\)](#) presented a check in the amount of \$116,254 to the [Rock County Cancer Coalition \(RCCC\)](#), a local organization focused on reducing the financial burden of cancer patients within the Rock County community. HCP raised the funds at its annual Rockin' the Greens golf play day at the Beloit Club in September.

“Rock County Cancer Coalition is an organization that’s close to our hearts. We fundraise and plan all year for this special event where our associates, partners and friends come together to support a common cause,” says Rob Gerbitz, president and CEO at Hendricks Commercial Properties.

“On behalf of Rock County Cancer Coalition and Board of Directors, we would like to thank you for organizing this incredible event for the ninth year in a row. RCCC would not be able to do what we do and make the impact we do, without the help of HCP. Your vision to improve our community inspires us to continue to assist those who need us,” says Lucy Beckord, Executive Director at Rock County Cancer Coalition.

HCP has been putting on the Rockin' the Greens fundraiser for nine years. Since its incorporation in 2011, RCCC has supported more than 1,600 local cancer patients and raised over \$1.2 million through events, donations and grants.
